LOUISVILLE. THURSDAY, AUGUST 31, 1854

AN-NEE PIRKT PAGE. after deducting the costs of surveying, mana-

United States. The treaties expressly require that the lands shall be offered at jubic anction before they can be subject to private entry in any form.

Question the eupon arises upon the following provision of July 22, 1854, viz:

That all the lands to which the ladian title has been or shall be extinguished within said Territory of Nebraska and Kansas shall be subject to the operation of the pre-emption, act of the fourth September, 1841, and under the constituent of the fourth September, 1841, and under the constituent of the pre-emption, notice of the specific tract claimed shall be following three trunces and as the subject at the Timas office. He must first show his ability to remove the simplicity without districted within three into the after the survey had been under in the field; and, on failure to fiel such in the feel; and, on failure to fiel such in the feel and, on failure to fiel such in the feel and, on failure to fiel such in the feel and, on failure to fiel such in the feel and the field shall be following the feel with the Street Provided, said notices may be feel with the service of the public sale of the lands by the Congress by the Wings of California;

Calboun Beuliam, nominated by the Whigs for Congress, is an Ohio logy. He is the soin of an inquisited Cincinnate Lands of the Congress, is an Ohio logy. He is the soin of an inquisited Cincinnate Lands of the Lands of the Congress is an Ohio logy. He is the soin of an inquisited Cincinnate Lands of the Lands states that its claimed on the part of persons intending to serious the feel with the serious provided and serious the feel with the feel and to the lands by the consensation of the part of persons intending to serious provided the serious and provided the serious and the field and the lands by the lands by the control of the lands by the lands land for lands and lands

proclama on of the President of the Canted States, the parties claiming such land shall forfer all right thereto? Procuded, said notices may be feed with the S reverse General, and acted on by him. Intil other arrangements shall have been made by law for that purpose.

The Commissioner of II blic Lands states that it is claimed on the part of persons intending to set ppre-cmp se er the act of J dy 2 described them and the United States, and that in so far as regards the stipulations are to be considered as ab ogated by the act of Congress. The Statesman endorses our young friend in all save list slighted foundation for this pre-ten ion, either in the general principles of law.

The BRALL PALIMITTO BOX.—The ladies of States may be pre-emploon only inwarch of those lands cented as a most after a fine, my opnion is, that the act of Congress is in the California. Lists a luxury in which few men can afford by the energy of the pre-emploon only inwarch of those lands cented as a mand after the same of the case of the considered at the statute. He sums up his conclusions as follows:

The BRALL PALIMITTO BOX.—The ladies of Spatiaburg, South Carolina, have erected a landsome monument to the memory of a young the statute. He sums up his conclusions as follows the statute of the conference of the considered at the statute of the statute. He sums up his conclusions as follows:

The BRALL PALIMITTO BOX.—The ladies of Spatiaburg, South Carolina, have erected a landsome monument to the memory of a young the statute of the sta

In face, my opinion is, that the act of Congressee pre-capp on early in each of those lands ceded at are not required first to be offered at a be sales that the lands ceded by the Delawares, loways, and Weas, under condition of first being offered at public sale, are to more opened to a e-emption by the act of Congression at Fort Leave worth; that those lands cannot be taken up by the condition and the sales are considered to the condition of t rth; that those lands cannot be taken up by re under claim of pre-semption; and that al is of pre-emption there will be merely void i, and w confer to right, now or hereaf-a which to demand the issue of a paten the Commissioner of Public Lands. Moreover, it wil be the duty of the Pr siden maintain, by force if need be, the plighted ath of the Linted State in this behalf.

The opinion is published by order of the Department of the Interior, and is no doubt design- metto boy.' the Commissioner of Public Lands.

the Tribure recognition of the maxim, that a muon purpose of the maxim, that a muon is sheet of this morning:

"For the coser willow, we pay some be indeed of thousands of dollars per animum to mee who pay from ten to sixty dollars per acrefor the use of the ground on which it is grown; when we have countless millions of better land lying idle and unproductive, which could be hought for fewer smittings per acre faor they pay dollars per acre for the same and or inferior land. The summe freed at them without success. The Charleston S. C.) artesian well has reached and or where it grow, whele we buy our large supply of sumar for tanning from Siedy or some other far-off corner of the bid World. So with allowed twerything else. Yet meen supply wor, which we have the first summer of the bid World So with allowed twerything else. Yet meen supply wor, with use the summer of the bid world of the country. The world with the sugger was stopped, a few days since, by rock, for the fifty-suglish time. The well, when completed, will be one of the more valued to the country. The country of the summer of the bid who we cannot see how the time, which we have the summer of the summer of the production of the summer of

would be mended if the people of this country, were to leave the occupations which they now find more profitable, and apply themselves to the cultivation of the ones, the making of baskets, and those who get a living and the gathering of samac. We should mere exchange one set of employ ments for another twitch we are less inclined, or for which we have fewer far littles, and those who get a living in Europe by supplying us with baskets and sin are would be left to starve. The case star levely well as it is. Instead of the thorist parallal tions of oasier and weaving the twize into basket work, we plant and reap, and male ad of gathering sumac we raise pigs. In the old world they have plantations of oasier ready set and flourishing, in marshes and under moist skees; every hollow where there is standing water its occupally ready where there is standing water its occupally ready of the plant twigs as soon as they are cut. We seed them grain and perk, butter and cheese, and they send us baskets. We are too busy with our fertile fields and rich partures to bestow much attention upon marshes and waste land two poundances. The calculation of the post teacher plant twigs as soon as they are cut. We seed them grain and pork, butter and cheese, and they send us baskets. We are too busy with our fertile fields and rich partures to bestow much attention upon marshes and waste land twite friends. The editor of the Post tanding water its occupant of the post tending land the left ear, that would designate bin singularity in a writ of labeas corpus, should not friends were riding.

With the country The country The cause of the mother sears to the mother sears to be the feet that her mother in the mother sears to be the feet that her mother is aricked the part of the work at mile of the daughter, who hy a series of provocations base entirely alienated the affections of the most value and success of the swall and success of the swall malk question. On Tuesday week a milk. The country has a success of the swall milk question on

The editor of the Post adopts the error which is patent to all the writers of his school. It consists to the assumption that all the people of the

a reproach to the people of this country that the laws protected property, but life was left unguarded. To some extent this is true. Why guarded. To some extent this is true. Why hat we no laws to protect the public against the ignorance or cupidity of those who billd houses for public use? The frequency of the failure of houses built to answer the purpose of river and enter New Mexico. store-houses and those intended for public exhi-hitton is a sufficient admonition that some regu-says:

lation is required in reference to this matter.

People ought not to be permitted to construct

LOUISVILLE JOURNAL. THE CALAMITY OF SUNDAY - INSECURE FROM THE INDIAN COUNTRY. - The Balti-BULLDINGS.—We publish to-day a communica-tion over the initial "H." on the subject of the imperfect construction of the houses blown down on Sunday last. It has often been said as On the Arkansas river, July 27, 1854.

PRE-EMPTION RIGHTS IN KANSAS AND NEBRASKA.—The Attorney General of the United
States has given an opinion in relation to preemption rights in Kansas and Nebraska, which,
if acted upon, will seriously interfere with the
views of the settlers who are now crowding into
and serious externs upon the richest portions of these
of these or the public use as
and serious experienced builders and architects, to whom the plan of
every building intended for public use as
we have if not closely watched.

In respect to the beautiful and amiable daugh

equitable, beneficiary interest in the proceeds of the sales, to be accounted for by the United States, after deducting the costs of surface of surface and surface of surface of the sales, to be accounted for by the United States. The following extract from the Lond

the war, the State of South Carolina placed limb in the mititary academy at Charleston for ednation. When be entered, he was ignorant even of the alphabet; but at the end of his collegiaters from four years, he graduated with the highest himos. But his constitution was broken, and conjumption soon closed a career so remarkable to promise. The monument is of pure white a bit, about twelve feet high, on which is acribed, "To the memory of the brave Palmetto boy,"

MADAME ADOLPH .- This celebrated plicenologist and physiogomist has arrived in this Live c'y and taken rooms at the Railroad Hotel. Wer pre ces f the gene do to je on Green street, opposite Brook. She has been present as 1 of French stry in all the principal cities of the United States. Utlopid is were expined by and the press everywhere have bestowed on her uncommon c rc 1 5' 1 e 1 he highest encomrums. Madame A. undo ibtedly stands at the head of her profession in the United States. She will be ready to receive t visitors to-morrow. From the many highly eulogistic notices of her we select the follow g prove that or craft will find no scall in from the New Orleans Crescent:

Madame Adolph uses none of the clap-trap paraphermain usually brought into requisition by the ordinary apparants to the fame she has achieved, but seems to have reduced the old style of fortune telling to a perfect science. She has been very successful at her new residence at 78 Poydras street, and by her simple, unspectending, and amusing manner, as well as incompreheusible insight into things apparently hidden from the human eye, she both jdeases and automates all who visit her. Madame Adolph's appearance is very prepossessing: she Adolph's appearance is very preposessing; she is exceed by affable and lively in conversation, and has no doubt done much good by giving good advice. Her patrons are among the most we althy and intelligent of our citizens.

The State of the angle of the State of the S Miller was arrested. Hammon was in Miller's whole miles of wood and. In the pure wocels ward, and warted to come to his house. Miller says that Hammon has been the cause of dissensions in his family.

Pa's gurs v the Cent droad from B iffactions in his family.

Pa's gurs v the Cent droad from B iffaction has no last neglecting us that they observed from in tea or inferent places in the woods.

the chief topic of discussion among all classes. It was feared daily that an outbreak would take place, and several wealthy families were preparing to leave the Island and take up their residences in that city.

**Comes ag held at the beats I. in and held he had you to be a construction of the same and the several wealth of the same as the several wealth of the same and the several and assumed a dopted authority that Messes. Wing & Co., brokers and redemption agents in this city of the Bank of Washtenaw, received instructions on Saturday from the President of the Bank to redeem from more of the notes of this institution, although it was sand the Bank will continue to redeem its notes at its counter at Ann Arbor. We cannot but believe this stop an unfortunate one for all concerned. — Britist Admertizer.

Pork Operations.—On Friday 1,000 hhis mess.**

James Renderson, drubs and almost of this process.

Breadstuß—the demand is moderate and prices in favor of buyers.

The Collins steamer Pacific arrived at Liverpool on the 15th. Her advices had no effect on the cutton market. Demission reports cotton the presence of stocks and the favorable receptive of the crop. Sales for the week 38-800 habes. Brown & Simpley unot Orleans. Sales to speculators of 2.500 and to exporters 4500 habes. Brown & Simpley quote Orleans. It air at it 3-8, middling 5-1-4. Mobile fair it 1-8, meternor 3 to 4 7-8. Demistors quotatrons differ from Brown & Shipley and Gartin it 1-8, middling 5-1-4. Mobile and upland fair it 1-4. Orleans madelling 5-3-15, Mobile and diling 5-18, middling 5-1-16. Sales on Firday of 5,000 bales. The market was dull. Stock, exclusive of shipboard, 198-400 bales. Brown & Shipley and the consensation of the core from the field off at the close. Flouring the sales of the sales of the sales of properties are consensated and the sales of the sales of

At Liverpool freights were dull with by the Enquirer:

BUTPALO, Aug. 29.

The steamer Alabama, which left at 4 o'clock, thound up, spring a leak about two miles out, and immediately sank. Fortunately she grounded of a bar and sank only to her upper deck. The crew were taken off. There is deep water both sides of the spot where she went down. She is not insured.

The weather continues dry. The sun is powerful. We have not had ratus nee Friday. The do th continues at Cleveland. Detroit, and Chicago.

The Governor has issued a proclamation for the enrollment of new troops.

There is considerable yellow fever here, and the Journal advises strangers to stay away.

The fever is slowly increasing at New Orleans among the emigrants. Deaths at the hospitals for the week 100.

Philadelphia, A. g. 30. The weather here is cool, clear, and dry. We ave had no rams since the shight shower Satur-
